P111 ROLLABLE GRATINGS

Material: High density polyethylene (Eltex URA/82) with high resistance to light, other atmospheric agents and to acid. All pool hygiene chemicals can safely be used with these gratings.

Colour: RAL 9003 white. Other colours are available to specification (fixed tooling charge).

Anti-slip surface: The anti-slip surface is not only comfortable to walk on but has been designed for easier maintenance: it can be easily cleaned.

Thickness: Grating's thickness can be reduced with surcharge.

Corners: The most widespread types of gratings come with relevant angular sections. Do ask for the proper technical sheet.

Models

P1111	PV33	33(32,8)	27 *	3.5	2
--------------	-------------	----------	------	-----	---

P1111 Mod. PV/33 rollable grating; mm. 330 x mm 35

P1118 Thickness reduction all models

P1119 Tooling charge for coloured grating

Swimming pool division: gratings – ladders – lane lines – starting blocks – moveable platforms – water polo and training accessories
 Changing room division: clothes-hangers, mats, benches, lockers, cabins, box WC and shower, division panels, access control
 Seating and grandstand division: telescopic grandstands – tier seating - chairs

Sistema di gestione qualità certificato

P1112 Mod. PV/25 rollable grating; mm. 250 x mm. 35

P1118 Thickness reduction all models

P1119 Tooling charge for coloured grating

P1144 Mod. AR/25 rollable grating; mm 250 x mm 35

NOTE: grating assembled in 2m pieces

P1116/A Thickness reduction of P1144 Mod. AR/25

P1117/A Width reduction of P1144 Mod. AR/25

* In case of minimum width, the thickness could not be reduced to the minimum.

P1113 Mod. AP/16 rollable grating; fixed width mm. 160; fixed thickness mm. 20

P1114 Mod. AP/15 rollable grating; fixed width mm 150; fixed thickness mm. 20

P1118 Thickness reduction all models

Swimming pool division: gratings – ladders – lane lines – starting blocks – moveable platforms – water polo and training accessories

Changing room division: clothes-hangers, mats, benches, lockers, cabins, box WC and shower, division panels, access control

Seating and grandstand division: telescopic grandstands – tier seating - chairs
